EDUCATION

Vishnu Institute Of Technology

Electronics and Communication Engineering

Bhimavaram, Andhra Pradesh

2023 – 2027

Dr.Sabitha Women's Junior College

Intermediate MPC (76.0)

ullamparru, Andhra Pradesh

2021 – 2023

PROJECTS

Smart Attendance System Using Face Recognition | *HTML, CSS, JavaScript, .NET*

July 2025

- Developed a Face Recognition-based Attendance Management System to automate student attendance using facial authentication, eliminating manual attendance processes.
- Developed a Face Recognition-based Attendance Management System to automate student attendance using facial authentication, eliminating manual attendance processes.
- Built the backend using .NET to handle user authentication, attendance recording, and secure database operations.
- Structured the application with a modular architecture, improving code maintainability, scalability, and future feature integration.

Restaurant Ordering Website | *HTML, CSS, JavaScript*

July 2025

- Developed a fully responsive Restaurant Ordering Website that enables customers to browse menus and place food orders through an interactive web interface.
- Designed modern and user-friendly pages using HTML, CSS, and JavaScript, ensuring smooth navigation and an engaging user experience.
- Created dynamic menu sections with organized food categories, pricing information, and responsive layouts for desktop, tablet, and mobile devices.

EXPERIENCE

Web Development Intern |

- Developed responsive and user-friendly web applications using HTML, CSS, and JavaScript.
- Designed a responsive personal portfolio website using HTML and CSS.
- Focused on clean UI design and intuitive navigation for improved user experience.
- Ensured cross-browser compatibility and optimized performance using VS Code.

TECHNICAL SKILLS

- **Programming Languages:** Java, SQL, Javascript(Basic), Embedded C
- **Frontend Technologies:** HTML, CSS
- **Developer Tools:** VS Code, Git, GitHub, Microsoft word, Microsoft Excel, Tinkercad, MATLAB
- **Core Domains:** VLSI, Embedded Systems Basics, Internet of Things

SOFT SKILLS

- **Soft Skills:** Communication, Teamwork, Leadership, Time Management, Listening

CERTIFICATIONS

- Programming in Java – NPTEL
- Cloud Computing – NPTEL
- Internet Of Things - NPTEL
- Digital Marketing - SkillDZIRE
- Web Development Certification – Talent Terk
- Digital Applications Fundamentals(STEM)-IT-ITeS Sector Council(NASSCOM)
